### ABOUT VIGYANAM-2017

Vigyanam is an annual Inter college technical paper presentation competition for engineering students. The papers are invited from students of different engineering colleges .

### OBJECTIVE OF VIGYANAM-2017

1. In order to promote the culture of research & innovation among Engineering students.
2. To improve the communication skill of students.
3. To generate awareness about latest development in technology.

### THEMES FOR PAPER PRESENTATION

#### ECE

1. Electronics Devices & Circuits
2. Modern Communication Engg.
3. Antenna, Microwave & Optical Tech.

#### ME

1. Composite Materials, 2. Reverse Engineering
3. Latest Development in Automobile Engineering

#### CE

1. Stabilization of Soil, Disaster-mitigation and Management
2. Earthquake Resistant Design of Buildings, 3. Hazardous Waste Mgt.

#### CSE/IT

1. Artificial Intelligence, Image processing, Machine Learning
2. Virtual Reality and Multimedia, 3. Autonomic Computing Systems

#### EEE

1. Role of PMU in Wide Area Monitoring of Power System,
2. Harmonic Issues in Grid Connected Solar Power Plant,
3. Problems Associated with the Integration renewable Energy Resources to Grid

### REGISTRATION

#### REGISTRATION FEE

Rs 500/- Only  
(Rs. 500/- per team as a registration fee for the competition.)

#### FOR REGISTRATION CONTACT FACULTY COORDINATORS

1. Dr. Puneet C. Srivastava (+91 9582945399)
2. Mr. Satish Chhokar (+91 9818913776)
3. Mr. Upesh Bhatnagar (+91 9711155197)
4. Mr. Anil Kumar Singh (+91 8882275073)
4. Mr. Saurabh Singh (+91 9811469391)
